

Dear colleagues,

Editorial Manager [EM] for the proceedings “SI: EWCC 2021” is now open for submissions. Please make sure that you are the participant of EWCC2021 and familiar with all instructions below to potential authors. We are looking forward to see your submissions in *Materialstoday: PROCEEDINGS* volume of our conference.

Instructions for submission:

1. The submission website for this journal is located at: <https://www.editorialmanager.com/matpr/default.aspx>
2. Authors must select “SI: EWCC 2021” when they reach the “Article Type” step in the submission process.

3. Authors may use the template uploaded [here](#) to create their article.

4. All new and revised submissions will first be directed to submissions assignment team. They will check each submission for completeness (presence of figures, no missing text, no errors in PDF file). Then will forward the paper to the Guest Editor(s), within EM so that the review process can be started by selecting reviewers.

Best regards,

Guest Editors
