

Palermo, 25.11.2019

Teaching Certificate

It is hereby certified that Prof. Heorhii Sokolskyi, from the Physical Chemistry Department of Igor Sikorsky Kyiv Polytechnical Institute, held a cycle of seminars in the Department of Physics and Chemistry of the University of Palermo. The seminars were held during the period November 11–22, 2019, and were designed for 16 hours in total. The participants to the seminars were PhD students of the Course in “Material and Nanotechnology Sciences” as well as “Physics and Chemistry Sciences”.

Best regards,

Prof. Luca Faes

Erasmus departmental coordinator
